Please Note: This is a planning calendar that includes **three days for inclement weather closings**. If these days are unused, they will be deducted from the calendar. The Board reserves the option to make adjustments in the school calendar as specific conditions may so require. The executed calendar will have no less than 180 school days for the students, as per State requirements, and no more than **185** teacher days, as per contractual agreement. The exact dates for the eighth-grade promotion exercises and the final days for students and teachers will be set in the Spring. *If we have an excessive number of school closings, make-up days will be during the Spring Break (April 15 - 19) beginning with Friday, April 19, followed by Thursday, April 18, etc. The calendar may be extended should unforeseen circumstances require it or subject to the work year being extended. Therefore, no plans which cannot be changed should be made prior to June 30. The Board of Education reserves the right to modify the calendar as may be deemed necessary. This includes reducing/eliminating vacation periods. If additional days are required, they will be as follows: end of June and/or April etc.
