Edward Kasper
Chief

Please be advised that starting on January 8, 2018, there will be some new parking and traffic regulations that will be in effect for Dogwood Hill School afternoon pickup.

- 1. The Oakland Borough Council, on the advice of the Oakland Police Department Traffic Bureau, passed a "No Parking 2:30 pm-3:30 pm when school is in session" ordinance (B.O. 7-15 section 1) for the north side of Dogwood Dr, from the east side of the school entrance to Hickory Dr. You will be permitted to wait in line to pick up your child, but you will not be able to park your vehicle there.**
- 2. In addition, the council also added a prohibition against making a left turn from Dogwood Dr (east bound) into the school entrance between the hours of 2:30pm-3:30pm. This prohibition excludes busses.**

As always, our main concern is the safety our children, as well as our residents. These changes were made to preserve that safety.

Thank you,

Traffic Officer Frank M Fiore
